

Maintenance, Planned & Cyclical Works, Capital Improvement & General Building Works Programme

Client: Swale Borough Council
Location: Kent
Value: £300,000 per annum
Duration: 3 years
Year: 2013 - 2015

TCL was commissioned by Swale Council as a Partnering Contractor to undertake Responsive Repairs and Planned Building Maintenance to their municipal buildings across the Borough of Kent.

This Partnering contract introduced TCL as a strategic Partner involved in the complete process from assessment of stock condition and delivery of repair/ maintenance thereof. This Framework was delivered through our specialist Repairs and Maintenance Division.

Scope of Works:

- Day to Day Responsive Maintenance to the councils municipal housing stock including libraries, offices, Leisure and community facilities and general public buildings.
- Disabled aids and adaptations
- Internal and external fabric repairs and redecorations
- Refurbishment projects
